

27 May 2019

Dr Brett Robinson appointed as RetireAustralia CEO

Infratil advises that Dr Brett Robinson has been appointed as the CEO of RetireAustralia, with effect from 27 May 2019.

Brett has more than 15 years of diverse executive leadership experience in healthcare, sport and financial services related healthcare businesses. Brett has a medical background and has a strong appreciation for care-related services and the wellbeing of others.

Brett's most recent role was as the CEO of BOQ Specialist. BOQ Specialist, is the Australian market leader in providing banking services to healthcare professionals, enabling them to pursue their professional and personal goals. Prior to this role, Brett was the Managing Director and CEO of Australia's largest private provider of integrated cancer care to patients and their families, Icon Cancer Care.

RetireAustralia is owned by Infratil (50%) and the New Zealand Superannuation Fund (50%). The investment is managed on behalf of Infratil and the New Zealand Superannuation Fund by investment management firm Morrison & Co.
